

2023 PREA Incidents

Standards 115.287 and 115.289 of the Prison Rape Elimination Act (PREA) require that The Open Hearth publish aggregate incident-based sexual abuse data at least annually and make the data readily available to the public through its web site or other means. The figure below shows the PREA incident types by case outcomes for The Open Hearth.

Inmate on Inmate Abusive Sexual Contact	Alleged	0
